PJ Higher Secondary School managed by **Panchanan Jena Memorial Trust** since 2004, which is named after Late Panchanan Jena, who had a vision to provide education to every child of Odisha. His perseverance and hard work have become the foundation for the Trust. The activities of the Trust are now taken forward with the able stewardship of its Chairman, **Sri Pratap Chandra Jena**, an alumni of History Dept. of Utkal University and Vice-Chairman, **Sri Pramod Kumar Jena**.

Dr. Rajib Kumar Panda, Director, PJ Higher Secondary School, the highly reputed Educational Leader-Author-Teacher-Academic Consultant- Entrepreneur, Oversees the Academics & Curricular Planning as per the need and standard of the students along with student management. His energetic, friendly, passionate nature along with clarity in communication inspire both the students and the teachers to achieve greater heights, in the teaching- learning process.

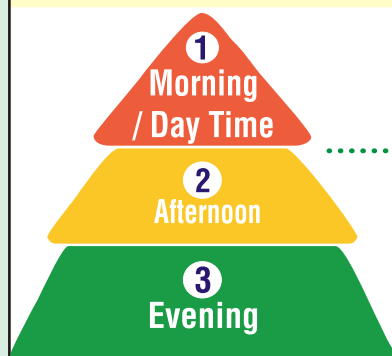

VISION : To groom students for right education and train them at the plus two stage to face the challenges in real life and achieve the pinnacle of success.

MISSION : To help the needy and aspiring students to get quality education in science and arts with focus on nurturing the budding youth for a good career and gainful employment.

COMMITMENT : Along with the CHSE certificate a successful student will get two more certificates from reputed organization working in collaboration with PJ on computer proficiency and another on spoken english.

The Focus

THREE -TIER TEACHING-LEARNING

Yoga, Prayer & Study-help by Subject Tutors in Addition to the Regular Teachers. Forenoon-CHSE Syllabus Teaching by Qualified, Experienced Regular Teachers and Visiting Faculty.

Prayer & Self Study with Guidance from Subject Tutors in Addition to Regular Teachers & Doubt Clearing Classes in small groups.

Entrance Coaching for National Level & Coaching for Olympiad Examination | Basic Computer Course for Students Not Having IT | Training on Communicative / Spoken English with System Support for all Students.

Our Approach

- Doubt clearing in small groups.
- Academic Year Plan
- Students feed Back system
- 1:15 Teacher-Student proctorial group.
- Weekly & monthly tests, half yearly, annual examination, self-assessment & VST.
- Evening supervision by Principal
- Individual record file for students.
- Provision of Test Series in the Entrance Model.
- Regular guardian's meeting
- Student's appraisal record.
- Regular communication on student's progress through Software

IIT. MEDICAL. JEE. NISER & OUAT COACHING

HOSTEL : We have secured hostels with wardens, hostel superintendents & caretakers. Every hostel has resident subject teachers staying with the students. The college neatly arranges well ventilated rooms with comfortable occupancy and attached toilet and provides hygienic and nutritious food four times a day. This includes breakfast, lunch, afternoon snacks and dinner. (Mess menu is adjusted in line with students need).

COMPUTER LAB : The students can avail extra laboratory facilities, apart from their regular lab class hours. 24 hours internet connectivity enables students to access study materials through net browsing. This also assures their absolute familiarities with the current pattern of questions .

HEALTH CHECK UP : We have provision for routine health check up by Medical Officer. Any illness is immediately attended by the hostel management.

GAMES & SPORTS : We have provision for playground and indoor games.

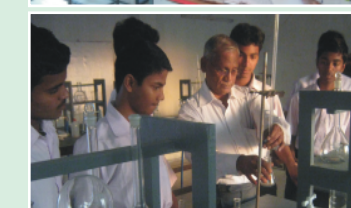

CO-CURRICULAR ACTIVITIES : Regular debate, essay, quiz, indoor and outdoor competitions in the college campus are held to develop competence in them for outside participation. Leadership qualities are inculcated in students through NSS activities. We promote creative talent of our students through their writings in wall magazine and annual magazine.

COURSES OFFERED : (A) +2 Science : English, M.I.L. (Alt. Eng. /Odia/Sans./Hindi), Physics, Chemistry, Mathematics, Biology, IT and Electronics.

(B). +2 Arts : English, M.I.L. (Alt. Eng. /Odia/Sans./Hindi) Political Science, History, Sanskrit, Psychology, Logic & IT

SCIENCE LAB. : All the laboratories (Physics, Chemistry, Biology & I.T.) are fully equipped and spacious with necessary furnishing.

GUARDIAN MEETING : The college has a statutory date, the 2nd Sunday of the last month of every quarter of the year when the parents, teachers and students intensely deliberate on the academic progress of the students and their general well being. The students' feedback, personal record, health status, examination result and communication level and monthly marks already sent to them become the central point of discussion.

CAMPUS : The campus spreads over ten acres of lush green landscape with state of art infrastructure along with twenty eight thousand sq.ft of sprawling green lawns. Air conditioned classrooms create a suitable ambience for students to concentrate on study and contemplate.

CLASSROOM : We have well furnished classrooms where teaching takes place through modern teaching aids

SUMMER COURSE : A Summer Bridge Course on Core Subject of **Higher Secondary Science** Classes is new at an Affordable Price of Rs. 10, 000/-
